## FAQ

# Frequently Asked Questions

## How do I start a forum?

You can start a forum by clicking the new forum button on the forums page.

## How do I report a problem?

Navigate to the contact us page and leave your comment/concern in the text box.

## How do I sign up for an account?

Navigate to the home page and click the sign up button. Then enter your information and you will be sent a account successfully created notification.

## Can I get banned?

Yes. If you break one or more of the community rules then your account will be suspended for 48 hours. If you violate the rules again your account will be banned permanently.

## Do you have an app?

Not currently. We are in the process of making an app. You can get notified when our app is available for download by adding your name and email to the contact us page.
